

Title:Wade Campbell Sworn In For The Defendant, 46th To Testify  
Category:LEO FRANK TRIAL BRIEF OF EVIDENCE

WADE CAMPBELL, sworn for the Defendant.

I have been working for the pencil factory for about a year and a half.

I had a conversation with my sister, Mrs. Arthur White, on Monday, April 28th.

She told me that she had seen a negro sitting at the elevator shaft when she went in the factory at twelve o'clock on Saturday and that she came out at 12:30, she heard low voices, but couldn't see anybody.

On April 26th, I got to the factory about 9:30.

Mr. Frank was in his outer office. He was laughing and joking with people there, and joked with me.

He thought I wanted to borrow some money.

I stayed about five or ten minutes and left the factory.

That was about 9:40.

I have never seen Mr. Frank talk to Mary Phagan.

On Tuesday after the murder I went up on the fourth floor with Mr. Frank.

I did not see the negro Conley talk to him at all that time.

CROSS EXAMINATION.

My sister said she saw the negro when she went in the factory.

When she heard the voices coming out, she was coming down the steps from the second floor.

I saw the spots where they claim was blood, close to the girls' dressing room on second floor.

I couldn't say whether it was blood or not.

I deny that I ever said that my sister said she saw the negro on the box when she came out of the factory.

He was sitting on a box between the elevator shaft and the staircase.

That looks like my signature.

I don't know whether it is or not.

Yes, I corrected certain statements in that paper.

RE-DIRECT EXAMINATION.

I went to Mr. Dorsey's office because he subpoenaed me.

I thought I had to obey it.

Mr. Starnes and Mr. Campbell and the stenographer were there.

All of them asked me questions.

I signed a statement about twenty-one pages long.

I have seen Jim Conley reading newspapers up on the fourth floor, twice since the murder.

It is not unusual to see spots all over the metal room floor.

RE-CROSS EXAMINATION.

Conley was sitting by the elevator when he was reading those papers, during working hours.

The other time he was reading down at the rear end of the building.

It was an extra, but I don't know what paper it was.

I knew that he could write because I had seen him do it several times, with pen and ink.

I don't know whether he was making up his report of boxes, but I have seen him writing.

Yes, I have seen spots along the route from the ladies' closet to the elevator ever since I have been there.

They have red varnish and red paint and such things like that that look like blood.

I am sure there are spots all around in the metal room, but I won't say they look like the spots near the ladies' dressing room.
